President of the Board of Trustees

Dear St. Cyprian's Family and Friends,

On behalf of the Board of Trustees, I would like to welcome you to St. Cyprian's Bayou Bash! Thank you for being here to show your support for our school. This year marks the 24th anniversary of Bayou Bash. An event such as this would not be possible without the help from our army of volunteers who have worked so hard to make this night memorable for you. Thank you volunteers and parents, both past and present, for a job well done!

We are thankful and excited that you are here to participate in another festive celebration uniting former students, parents, grandparents, community friends and other supporters of St. Cyprian's. Bayou Bash is all about having great food, fun, and fellowship while supporting a tremendous and worthy cause – our school.

Over the past 68 years, there has been a legacy of excellence in education at St. Cyprian's with a focus on outstanding curriculum, a commitment to Christian values, and the development of leaders in our community. Every day we ask and expect our students to "Learn with Confidence", "Serve with Compassion" and "Lead with Courage". In short, we expect them to **Walk As Lions**.

Three years ago, St. Cyprian's Episcopal School began a Capital Campaign for improvements and developments. The first part of the Campaign set the stage for our continued improvement in our physical plant and, more importantly, in our students' academic success. The Capital Campaign has several stages of development, and we are moving forward with your help.

Most importantly though, this annual celebration and fundraiser highlights our children and the all-important roles that your school plays in molding them into well prepared, exceptional students. Your support tonight is critical in maintaining our standard of an extraordinary education for your children. Please have fun and give freely! Your financial gifts and support are very much appreciated.

Now it's time to "Laissez les bon temps roulez!"

Sincerely,

Diana Hineman
President
Board of Trustees

Bayou Bash is more than a party. It's a party with a purpose. Proceeds from Bayou Bash are applied to the school's general operating budget and may be used to increase scholarship funding, expand our technology department, renew our curriculum resources, embellish our specialty areas, or grow our long-term improvement fund. We wish to express our sincere gratitude to all sponsors, donors, and supporters for making this event possible for the past 24 years.

We could not be where we are today without your generosity, your prayers, and your continued support!

Blessings to you all,
St. Cyprian's Episcopal School
